

The privacy policy

The following restrictions should be taken into careful consideration when using information or resources from the By Trend LLC (bytrend.com) website:

By Trend LLC (bytrend.com) pays great attention to the protection of personal information of its clients, as well as financial information that relates to them.

We use advanced security technologies, thereby improving the confidentiality of the information received. This provides a high level of reliability during the work with our trading instruments.

The personal information of our customers, as well as contact details are specified directly when applying for opening an account or participation in other programs (promotions, bonuses, contests, etc.).

We use the personal information of our clients only to communicate with them, and we do not disclose it to third persons, unless it's required by the law. There are some exceptions described below.

By Trend LLC (bytrend.com) may forward information to agents or third persons acting on the basis of the contract with the company, if the company's partners are fulfilling the obligations to the client.

By Trend LLC (bytrend.com) may use the Cookies technology, which doesn't contain confidential information and is not transferable to third persons.

The client's ip address information is used for identification, but By Trend LLC (bytrend.com) can obtain and save this information.

The company takes no responsibility if the client has provided his personal information in a public form at the company's website.

The company takes no responsibility if the client gives his personal information, login or password to third persons.

By Trend LLC (bytrend.com) use the contact information in order to fulfill its obligations to the client, as well as to evaluate and analyze the work of company and the effectiveness of it's website, to identify the winners and participants of events and competitions held by the company.

By Trend LLC (bytrend.com), using personal information received in the legal way, have the rights to send advertising and informational messages to the clients.
